# Woodcraft Association puts the Wow in Christmas

Families throughout the Burdekin and North Queensland will experience the true spirit of Christmas thanks to a generous donation by the Burdekin Woodcrafts Association to Member for Burdekin, Dale Last's, Annual Christmas Appeal.

Mr Last said the "Wow Factor" would also be a part of homes where the handmade toys were unwrapped on Christmas morning.

"The members of the Woodcrafts Association have been great supporters of my Christmas Appeal and they never cease to amaze me with the new items they come up with," he said.

"How they take wood and turn it into toys that are so creative, colourful and impressive is something I will probably never understand but I am grateful that they do."

"When families are facing major challenges Christmas can be a very difficult time but it's donations like this that prove that the community cares and hopefully that makes their Christmas a little more merry."

"I'm so thankful for the support of groups who combine to make donations but, the truth is, every single donation makes a difference no matter how big or small."

Donations of goods and non-perishable food to Mr Last's Christmas Appeal can be made at his office in Centrepoint Arcade until Monday, December 16<sup>th</sup>.
